Dear Sarangadhar

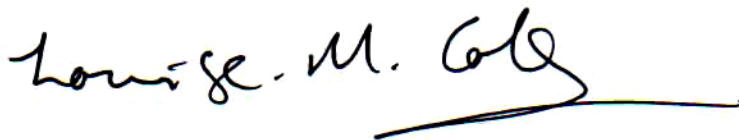

Re: NYSASDRI School of Journalism & Social Work

I am interested to hear about the recent developments at NYSASDRI with regard to the Masters Programme in Journalism and Social Work. The initiative is a fantastic opportunity to develop the skills and talents of young people in the field of social work and journalism and add enormous value to NYSASDRI's ongoing social value, adding significantly to the economic development of the area.

I am delighted to accept the invitation to contribute my experience and knowledge in both developing and innovating a rich and high quality curriculum, and to delivering to the curriculum as part of the Visiting Faculty.

I look forward to discussing this further with you in the near future.

With best wishes,
