NYSASDRI School of Journalism & Social Work (NSJS)

Director's message:

At the outset, I extremely happy for a new concept in our college, NYSASDRI School of

Journalism and Social work. The introduction of this bi-monthly newsletter is the result of our confidence, creativity and innovation. NSJS has established itself as one of the leading self financed college in Odisha. This has been primarily due to the large significance that the college put on the teaching learning

process.

I am particularly glad to know that this bi-monthly newsletter will establish a thread of acquaintance with our alumni, who are doing wonders across India and raising the name of NSJS higher and higher. I invite all of you to come join us in this initiative and hoping this will prove to be a milestone in the digital journey of NSJS.

Dr. Sarangadhar Samal
Director

Principal's Message:

I am extremely delighted for NSJS bi-monthly newsletter. This will benefit all the students as they can now be aspired for greater heights by knowing about their institutions' achievements. This will also foster professional and social networking from time

to time. It indeed creates a great feeling to know about the initiative taken by our college to facilitate the students with necessary information, record keeping as well as increasing student capabilities through active participation. Personally, I feel that students of NSJS should set standards and create environment so

that they excel in their areas of interests and accordingly guide more and more NSJS'ians in future.

Mr. Swarupa Nayak
Principal

It's Time to Celebrate: (Happy New Year-2022)

2021 was another year of challenges and growth, but the people of NYSASDRI School of Journalism and Social Work emerged stronger and wiser with a long list of things to do in this year and to be proud of.

We remained cautiously optimistic and saw a big return of on-campus events. Faculty

and staff are hard at work behind the scenes to welcome students back to campus, as well all work to get off to another safe and strong start to 2022.

It's a great time to make a positive change and build skill toward a good future.

NYSASDRI School of Journalism and Social Work celebrate the 73rd republic day with pump and show in its premises. As the lockdown exists on January, so hostels are closed and we celebrate republic day without our students. Principal Mr. Swarupa Nayak unfurled the flag. This was followed by our National anthem sung by our all teaching and non teaching staff.

Saraswati Puja

Saraswati puja was celebrated with great fervor on 5th February, 2022 at NSJS campus. All the teachers gathered at the college premises to celebrate the day. It was an attempt to preserve the Indian culture to impart a sense of respect towards long estab-

lished traditions. The celebration came to a close with distribution of "prasada". Gaiety and piety went hand in hand to live an indelible impression in the mind of all those who witnessed the programme.
